

# FlowGlow Press Kit

Logos, high-resolution press photos, and suggested captions for editorial coverage.

## Logos

The color version without the tagline is the standard logo. SVG works best for layouts and print; PNG is suitable for web and presentations.

### Color, no tagline

Standard logo for light or neutral backgrounds.

Vector

SVG

Transparent

PNG

### Black, no tagline

Single-color version for light backgrounds and print.

### White, no tagline

Single-color version for dark backgrounds.

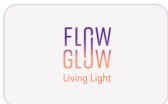

Vector

SVG

Transparent

PNG

### Color with tagline

Logo with the "Living Light" tagline when space allows.

Transparent

PNG

## Press photos

Nine full-resolution JPEGs, grouped by subject. The included captions are suggestions and may be adapted.
